

Delaware Department of Transportation

Division of Highways

RESOLUTION

WHEREAS, Volume 9, Title 17, Chapter 146 of the revised Code of Delaware authorizes the Department to adopt Standards and Regulations for the control of access and drainage to the highway system of this State and

WHEREAS, certain regulations governing the construction of entrances to State Highways thereby controlling traffic entering or leaving State Highways will considerably assist the safe movement of vehicles along the highways and

WHEREAS, the State Department of Transportation in accordance with the authority so vested, did declare that this manual shall be adopted as the official policy governing entrances and drainage to State Highways.

NOW, THEREFORE, BE IT RESOLVED, that the guidelines, regulations and standards set forth in this manual shall supersede the previous policies and standards and shall become effective August 15, 1983.
